About Me !

I am pleased to be working at Shining Stars Preschool & Daycare, and I am excited to be part of the Infant Classroom. Caring for infants and watching them grow, develop, and learn new skills each day is incredibly rewarding to me.

I bring over 20 years of experience in the childcare field and am dedicated to providing a safe, nurturing, and engaging environment for young children. I am certified in CPR, First Aid, Child Abuse Recognition, and Communicable Disease Prevention. I am kind, caring, and believe that open and consistent communication with families is essential to supporting each child's development.

I am a dedicated early childhood education professional with hands-on experience caring for and teaching infants and toddlers in licensed childcare settings. I am skilled in creating developmentally appropriate learning environments and value teamwork, continuous professional development, and high-quality care that supports children's social, emotional, and cognitive growth.

I am a graduate of Harding High School. In my free time, I enjoy being anywhere with sunshine and the beach, as it helps me relax and recharge.

I look forward to building strong relationships with families and supporting your child's early learning journey at Shining Stars.
