

Miss Torrie

ABOUT ME

I've always cherished babies since I was a little girl. When I was nearly 10, I was appointed as the "Big Sister" to my little brother, Vance. Throughout my childhood, I often looked after him, and many would say I was like his second mom! As he grew older and my parents had more time, I began babysitting. I continued this from the age of 10 until I turned 19. Then, at 22, I welcomed my beautiful daughter, Evelyn, into the world!
