

Meet Miss Madeline!

Hello! I am currently a student at **Chatham University** pursuing my degree in **Early Childhood Education**.

I am passionate about helping children learn, grow, and develop a lifelong love of learning.

My experience includes...

working in an elementary after-school program where I tutored students and led engaging activities in **STEM**, **art**, **reading**, and **writing**.

Through these experiences, I have developed a strong appreciation for creating hands-on learning opportunities that encourage creativity, problem-solving, and confidence in children.

I am excited to continue building my experience in early childhood education and look forward to creating meaningful relationships with the children and families at **Shining Stars**.

My goal is to help every child feel **safe**, **supported**, and **encouraged** while having **fun** and **learning** each day.

Outside of the classroom...

I enjoy cheerleading for my university

I love reading

I enjoy spending time outdoors

Whether I am going for a walk, exploring nature on a hike, or cheering on my team, I love staying active and finding new ways to learn and grow.

I can't wait to learn, grow, and shine alongside your children!
