About Me

Hello, my name is Miss Aubrie, and I will be teaching preschool this year. I am thrilled to have the opportunity to teach your children. I hold a Child Development Associate (CDA) credential and am currently pursuing a Bachelor's degree in Elementary Education. Additionally, I am certified in CPR, First Aid, Child Abuse awareness, and Communicable Diseases. I have 6.5 years of experience working in childcare. My philosophy is that all children are unique individuals who deserve respect and equal treatment.
