

MEET THE TEACHER

About Me

Hello Shining Stars families! My name is Samantha, but most families and friends call me Sam or Kameron ("Kammy").

I've always wanted to be a teacher because I truly believe that building a better world starts with our children. School was my safe place growing up, and at Shining Stars Preschool & Daycare, I love helping create that same sense of safety, love, and belonging for every child who walks through our doors. Through education, kindness, and a strong sense of community, I believe children can shine and accomplish anything they set their minds to.

I am a hardworking, loyal, and compassionate caregiver who genuinely enjoys supporting others. I have several years of experience working as a Medical Assistant and have worked with individuals of all ages. I also have experience supporting individuals with mental health needs, substance use challenges, and autism, which has helped shape my patient, understanding, and flexible approach to care.

At Shining Stars, my goal is to make sure every child feels safe, supported, and celebrated for who they are. I love watching children grow, learn new skills, and gain confidence each day. Being part of a caring team and building strong relationships with families is something I truly value.

I'm so excited to be part of the Shining Stars family and look forward to partnering with you to help your child learn, grow, and shine bright!

Fun Facts

- I was born and raised in Southern California (just moved here less than a year ago)
- I've been a nanny multiple times for littles of all ages
- I used to foster dogs and puppies for a couple years whenever I had the chance
- Chocolate and Mac n cheese are always a go to snack
- I just saw my first snowfall ever this year and I loved it.
